## CAPITAL IMPROVEMENT PROGRAM 2009/10 - 2013/14

### CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Fund is used to account for capital improvement expenditures as part of the five-year capital improvement program. Expenditures for capital improvements are not included in the General Fund operating budget. They are budgeted as part of the Capital Improvement Program (CIP) and prepared and approved independently except for the budgeted transfers from operating reserves to the CIP. The CIP information is included in this document and details each project, its purpose, and funding source.

There are many differences between the operating budget and the Capital Improvement Program. The operating budget includes expenses that are generally of a recurring nature and are appropriated for one year only. It provides for the provision of all Town services, but does not result in major physical assets for the community. The CIP includes one-time costs for projects that may last several years and result in major physical assets in the community.

A capital improvement project must meet the following criteria:

1. Represent a physical improvement.
2. Have an anticipated life of not less than 5 years.
3. Cost \$50,000.00 or more.

The Capital Improvement Fund Budget includes funding for the following projects:

1. El Mar Streetscape
2. Terra Mar Bridge (Scope) - LBTS/Broward County
3. A1A Streetscape (Scope) - LBTS/Broward County
4. Pine Avenue to A1A Streetscape (Scope)
5. Fish Habitat Restoration
6. Town Entryway - Bel Air Monument Signs
7. Debt Service

SIDEWALK

EXISTING

Capital/ Improvement Project	Project Description	Project Budget	Year Project Adopted
Street Resurfacing	Resurface the Town streets from Flamingo Avenue to Terra Mar Island.		
	South Side	\$ 350,000	2010/2011
	North Side	\$ 200,000	2011/2012
Town Entryway Bel Air	Monument Signs at entryways	\$ 20,000	2009-2010
Pine Avenue from A1A to El Mar Streetscape	This project will create an attractive tropical passage between SR A1A and El Mar Drive. The project will include the landscaping at the intersection of A1A and Town streets, possible islands in the center lanes when permissible, and linear shade or palm trees.	\$ 29,000 \$ 101,000	2009/2010 2010/2011
Rebuild Beach Dunes-Vision	Rebuild beach dune east of existing seawall and replant with low growth. To commence after completion of beach re-nourishment.	\$ 269,000	2010/2011
Decorative Residential Street Lighting (South)	Design and construct low level street/pedestrian lighting in residential neighborhoods.	\$ 200,000 \$ 200,000 \$ 200,000 \$ 200,000 \$ 200,000	2010/2011 2011/2012 2012/2013 2013/2014 2014/2015

## Capital Improvement Fund Expenditure Detail & Changes

**\$ 1,686,862**

The Town's Capital Improvement fund is broken down by and budgeted by project. The capital fund has decreased approximately \$ 1,393,176 from the FY 2009/2010 amended budget. This decrease is due to completing the sanitary sewer project in the northern part of town and the reduction of debt. Future operating costs (e.g., service, personnel, maintenance or utilities) associated with completed projects are included in the operating department in the appropriate budget year. The below projects have been funded for fiscal year 2009/2010.

### Physical Environment

AIA – Landscape-Streetscape Project and Town Entry Improvement Project

### Economic Environment

El Mar Beautification Project

### Culture – Recreation

Fish Habitat Restoration and Marine Park

### Transportation

Terra Mar Bridge and Bus Stops

### General Government

Infrastructure Depreciation Expense

### Completed Project (FY2009/2010)

In fiscal year 2009/2010 projects completed that have future maintenance; landscape and utility expense are budgeted in the General Fund. The operational and maintenance responsibilities have been funded in the below department as noted on page 88 - 93.

>Public Works >Community Standards >Public Buildings >Recreation and Beach

# Town of Lauderdale-By-The-Sea

Actual - General and Capital Fund Expenditure Summary

## **November 9, 2009 Minutes**

# **TOWN OF LAUDERDALE-BY-THE-SEA**

## **TOWN COMMISSION**

### **WORKSHOP MEETING**

#### **MINUTES**

**Town Commission Meeting Room**

**4505 Ocean Drive**

**Monday, November 9, 2009**

**5:30 P.M.**

#### **1. CALL TO ORDER, MAYOR ROSEANN MINNET**

Mayor Roseann Minnet called the meeting to order at 5:32 p.m. Vice Mayor Jerry McIntee, Commissioner Jim Silverstone, Commissioner Stuart Dodd, and Commissioner Birute Ann Clotney. Also present were Town Attorney Susan L. Trevarthen, and Town Manager Esther Colon.

#### **2. PLEDGE OF ALLEGIANCE TO THE FLAG**

Paul Novak, Chairman of the Master Plan Steering Committee (MPSC), introduced Sandra Booth, Bob Eckblad, Louis Devorak, Marc Furth, and Mary Ann Wardlaw from the MPSC.

#### **3. ITEMS OF DISCUSSION:**

##### **a. Master Plan**

##### **b. Beautification Projects:**

- 1.) El Mar (Oriana)
- 2.) FDOT – A1A – Pine to Terra Mar
- 3.) LBTS – Pine Avenue from A1A to El Mar
- 4.) LBTS – El Mar – Commercial to Pine

The Commission agreed to take the Beautification items ahead of the Master Plan item. There was consensus to get citizen input regarding the FDOT – A1A project. The Commission agreed that if a compromise could not be made between the Town and FDOT, the project would not continue. Town Manager Colon explained that FDOT agreed to have a workshop to hear the residents concerns. The Commission agreed to begin the process before any decisions were made.

Town Attorney Trevarthen explained that according to the original Development Agreement for the El Mar Streetscape project, the location was in the Hospitality District. She clarified that the geographical description was still valid even though the Hospitality District was previously repealed.

The MPSC recommended widening the sidewalks along El Mar Drive and to improve the lighting to increase safety. Discussion followed on whether to move forward with the original student designs or to use the funds for all of El Mar Drive. Ernie Ojito, Ocampo & Associates, explained that there were drainage issues along the sidewalks and that the town would get more for their money if the funds were spent on the median. The MPSC was under the impression that once the winners of the contest were chosen the Town was ready to move forward.

The Commission continued to discuss whether the funds should be spread throughout El Mar drive or focused on the area given to the students. Town Manager Colon explained that the Commission was told at the beginning of this project where the money could be used. She pointed out that the Town did not have enough money to fix the drainage problem.

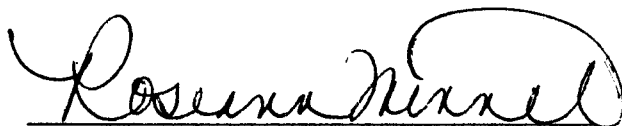

Diane Boutin felt the Town needed to take more time to brainstorm. She felt wider sidewalks and bicycle paths were necessary along with fixing the infrastructure problems.

The Commission discussed back out parking, pedestrian friendly sidewalks, and ways to increase safety along El Mar Drive. Vice Mayor McIntee requested the following item be placed on December 1, 2009 Commission agenda: To move forward with appropriating the \$980,000 for the El Mar Drive Streetscape project. Town Manager Colon said she will work with Ocampo & Associates to bring the Commission another alternative to consider.

The Commission agreed to schedule a Roundtable for Monday, December 7, 2009 at 5:30 p.m., to further discuss the El Mar Streetscape project and the Master Plan.

#### 4. ADJOURNMENT

Vice Mayor McIntee made a motion to adjourn the meeting. With no further business before the Commission, Mayor Minnet adjourned the meeting at 6:41 p.m.

Mayor Roseann Minnet
